NB. Not suitable for sheep

DIRECTIONS FOR USE: Use in an in-line dispenser or a direct trough dispenser. Intended for use with beef and dairy cattle. Do not use where sheep have access to the water. Do not use in domestic water supplies. **By law the user must take due care, obtaining expert advice when necessary to avoid unnecessary pain and distress when using this product other than as directed on the label.** Add Zincmax+ slowly to water whilst stirring vigorously to ensure proper dissolution. Note: Poor quality water could affect dissolution of the product.

STORAGE: Keep out of reach of children. Seal after use. Keep in a safe place away from foodstuffs. Wash hands thoroughly after use. Store in a cool dry place out of direct sunlight.

20KG

If medical advice is needed, have product container or label at hand.

Causes mild skin irritation. If skin irritation occurs: Get medical advice/attention.

Call 0800 24 36 2255 for more information.

Causes serious eye damage. Wear eye protection.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. *Immediately call a POISON CENTRE or doctor/physician.

May cause damage to organs through prolonged or repeated exposure. Do not breathe dust/vapours. Get medical advice if you feel unwell.

Very toxic to aquatic life. Harmful to terrestrial vertebrates. Collect spillage.
