|------------|-----|
| ME (MJ/kg) | 10 |
| CP | 14% |
| Starch | 18% |
| NDF | 40% |
| DM | 88% |

Ingredients selected from:

Broll, PKE, Wheat, Plant by-products, Molasses, Lime, Salt, Zeolite

Feed recommendations

Designed to be delivered to cows in a controlled manner via an in-shed feeding system or thoroughly mixed with a significant portion of the daily forage allowance before feeding from troughs or trailers. As with all feed, ensure sufficient feed space is available to all cows in order to prevent gorging. Typically fed twice daily at a rate as per the additive addition guidelines.

Available from: Ashburton mill. Available in bulk, bulk bag and 20kg bag.
